

Invitation to Precise Biometrics interactive video presentation of the Q2 interim report 2023

Precise Biometrics (publ) will publish its interim report for Q2 and the first half of 2023 on August 15th at 08:00. The company will simultaneously publish interactive video interviews with CEO Patrick Höjjer and CFO Annika Freij in which they will comment on the report. There is also an opportunity to participate in a live Q&A session with Patrick Höjjer and Annika Freij on the same day starting at 10:00 am.

The interviews and the live Q&A session are part of the interactive video material created on the company's investor relations website to supplement the report and provide further commentary to create better understanding of the company's operations.

Investors, analysts and members of the press are welcome to watch the interviews with Patrick Höjjer and Annika Freij on the report day, as well as participate in the Q&A session, via the interactive video player accessed here:

<https://precisebiometrics.com/investors/>

No pre-registration is required, and questions can be asked directly in the chat in the interactive video player. It is also possible to send questions in advance to the company's IR mailbox:

investor@precisebiometrics.com.
