

Precise Biometrics invites investors to an open investor presentation on the merger with Fingerprint Cards and the rights issue

Precise Biometrics invites investors, shareholders, analysts, and media to an open digital investor presentation on Thursday, August 6, 2026, at 10:00 a.m. CEST.

During the presentation, CEO Joakim Nydemark will discuss the strategic rationale behind the merger with Fingerprint Cards and how the ongoing rights issue, with the subscription period running from July 29 to August 12, 2026, will finance the integration, realize identified synergies, and enable investments in priority growth areas.

Through the merger, Precise Biometrics has created a more comprehensive offering combining software, hardware, and deep domain expertise. The combined company serves a global customer base, with technologies deployed in hundreds of millions of devices worldwide and enabling billions of authentications every day.

The presentation will be followed by a live Q&A session.

Date: Thursday, August 6, 2026, 10:00 am CEST

Registration/Participation: <https://events.teams.microsoft.com/event/9ed26fd3-3766-46d8-9e76-9dfe42be8ca8@4cbfea0a-b872-47f0-b51c-1c64953c3f0b>

Joakim Nydemark, CEO of Precise Biometrics, commented:

"The merger with Fingerprint Cards has created a stronger company with a more comprehensive offering and greater global market potential. During the investor presentation, we will explain the strategic rationale behind the merger and how the proceeds from the rights issue will be used to complete the integration, realize synergies, and invest in continued growth."

About Precise Biometrics

Precise Biometrics AB (publ) ("Precise") is a global leader in biometrics, providing trusted solutions for biometric security, access, and identity. The company's technologies enable organizations to deliver secure, seamless access across physical and digital environments while preventing fraud and identity threats.

Trusted by enterprises, governments, technology partners, and OEMs worldwide, Precise solutions power hundreds of millions of devices and enable billions of authentications every day.

Combining biometric algorithms, SaaS solutions, sensors, systems, and deep domain expertise, Precise offers one of the industry's most comprehensive biometric portfolios, helping organizations deliver secure, seamless access to people, places, devices, data, and digital services. The portfolio supports a broad range of use cases, from mobile devices and consumer electronics to physical and logical enterprise access, visitor management, and government identity programs.

Precise Biometrics is listed on Nasdaq Stockholm (PREC) and has offices in Sweden (HQ in Lund), France, the United States, China, India, Japan, and South Korea.
